Sub : **NPTEL Awareness Workshop on 03-12-2018** for the faculty and staff of the Higher Education Institutes (HEIs)

Dear Sir/ Madam

I extremely delighted to share with you that National Programme on Technology Enhanced Learning (NPTEL) has established its **LOCAL CHAPTER** in **Central University of Jammu** for strengthening the digital initiatives of Government of India and to encourage more students across the institutions to strengthen their learning and career paths. The National Programme on Technology Enhanced Learning (NPTEL) was initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003. NPTEL has been offering self-study courses across engineering, humanities and science streams for more than a decade. From March 2014, NPTEL has been offering online certification for its courses, the highlight being the certification exam through which the student gets an opportunity to earn a certificate from the IITs.

The Central University of Jammu in Collaboration with NPTEL (IIT Kanpur) is organizing an **Awareness Workshop** for the faculty and staff of the Higher Education Institutes (HEIs) of the region on **03-12-2018** from **10:30 am to 3:00 pm** in its campus **located at Rahya Suchani (Bagla), Samba**. The workshop will mainly deliberate on NPTEL and its features, NPTEL Online Certification courses and the concept of NPTEL Local Chapter.

As a Single Point Of Contact (SPOC) of the Local Chapter, I request to kindly attend the workshop and also depute **atleast one faculty members** of your Department/Centre to attend the workshop.

There is no REGISTRATION FEE .The participants may register on the link given below
