Amala-SLBC Intern

E-certificates will be provided to all the participants

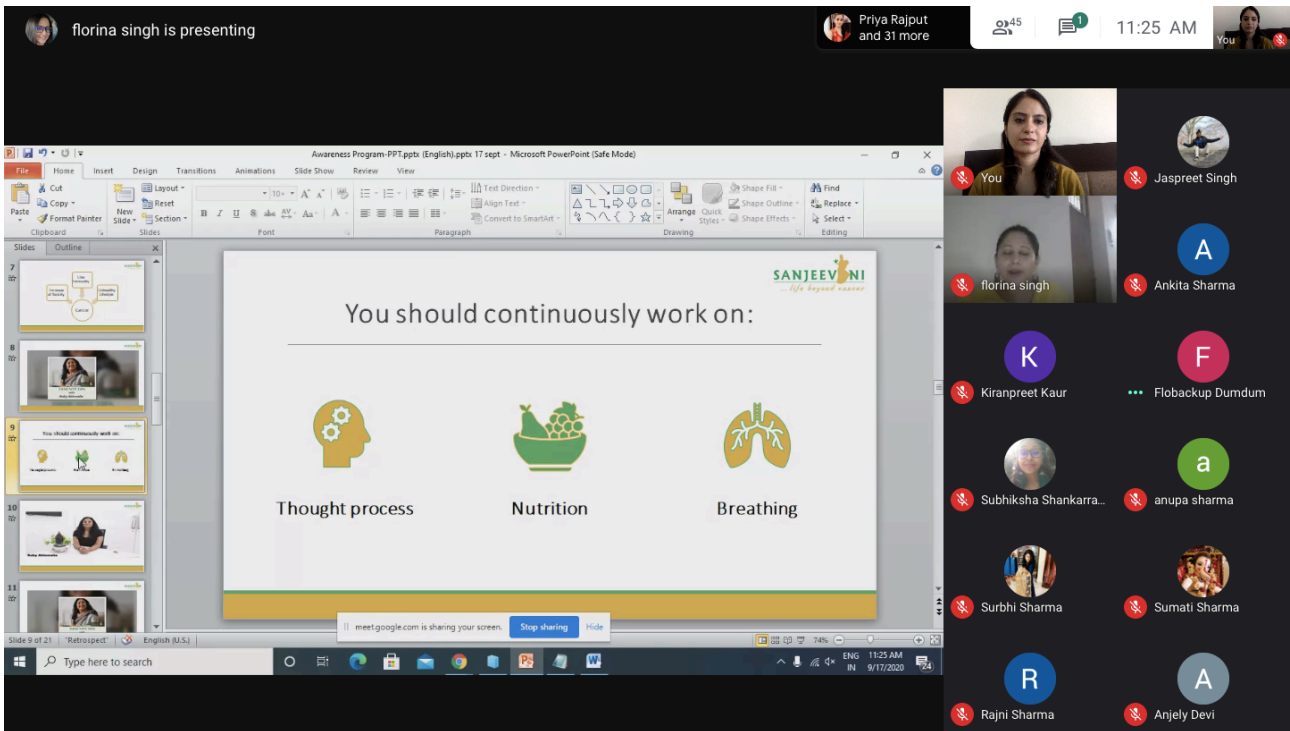

The Department of Social Work conducted one day Online Awareness Programme for prevention of Non-communicable Diseases in collaboration with Sanjeevani Life beyond Cancer, an NGO working in the field of cancer prevention and supporting the patients on 17 September, 2020.

A total number of 45 students participated in this programme where deliberations were made about causes, prevention and treatment of Cancer. The programme was facilitated by Ms. Amala from Sanjeevani and conducted by Ms. Florina Singh, Senior Program Executive, Sanjeevani. She educated the participants about the importance of healthy lifestyle and positive attitude as that can lead to protection from many diseases. She also informed about the various programmes of Sanjeevani with which students of Social Work can extend benefit to the patients suffering from cancer. Students were also made aware about the importance of healthy diet and physical

exercise. Focus on impact of lifestyle on prevention of non communicable diseases was also laid down upon. Towards the end of the programme, a quiz competition was also conducted and Ms Vidushi Sharma and Ms Priya Devi secured first and second position respectively.

Dr. Dharmendra Singh, Head of department, was the special guest in the programme who appreciated the programme and expected virtuous outcomes. The Programme was successfully coordinated by Dr. Nancy Mengi.
