TO WHOM IT MAY CONCERN

It is a pleasure to provide an acknowledgement for the Internship by **Md Ashraf Sheikh** from **Central University of Jammu**.

Ashraf has joined the internship on 1st June 2023 with our Udayan Ghar Programme at the Mayur Vihar location.

Udayan Care was established in 1994 by Dr. Kiran Modi. Udayan Care's single-minded focus is on strengthening the family structure and it also informs and drives the curation and design of its programmes – whether it simulates a family environment or supports them through providing for education, vocational skills and employability training to children and youth coming from lower socio-economic strata, so that they can sustain and strengthen their families.

We appreciate his endeavor to reach out to us and extend a helping hand towards the cause that we at Udayan Care are committed to.

We hope that he has a good learning experience while working with us and share his knowledge and expertise to help us with our ongoing projects.

We wish him every success in life.
