

Dr. Sudheer Kumar N., Former Director, Capacity Building & Public Outreach (CBPO), Indian Space Research Organisation (ISRO), on February 05, 2026, visited The Satish Dhawan Centre for Space Sciences (SDCSS), Central University of Jammu

The visit was organised under the able guidance of Hon'ble Vice Chancellor Prof. (Dr.) Sanjeev Jain and Prof. Rakesh Kumar Jha, Convener, Satish Dhawan Centre for Space Sciences. Dr. Sudheer Kumar N. is currently serving as Vice President – Manufacturing, Supply Chain and Global Strategy, is an Adjunct Faculty at the National Institute of Advanced Studies (NIAS), and has earlier served as Advisor to IC HEAD, L&T and PES University.

During the visit, Dr. Sudheer Kumar N. interacted with the B.Tech students of the Central University of Jammu who are participating in the IN-SPACE Model Rocketry India Student Competition 2024–2025 and the IN-SPACE CANSAT India Student Competition 2024–2025, organised by the Astronautical Society of India (ASI).

He guided the students on model rocketry, CanSat missions, space research opportunities, and the evolving Indian space ecosystem, motivating them to pursue hands-on learning, innovation, and careers in space science and technology.

The interaction was attended by the Convener, SDCSS, along with faculty members from the Department of Electronics and Communication Engineering. The visit significantly contributed to strengthening industry–academia collaboration and promoting space research and innovation at the Central University of Jammu.
